

VOTE FOR EDDIE STRENGIEL

ON 4th JUNE 2009 AT THE
COUNTY COUNCIL ELECTIONS

Eddie Strengiel has lived in the area for the last 22 years and runs his own business in Lincoln. He is married to Sandra and they have two daughters, Karen and Debbie.

Eddie has seen Birchwood Ward grow tremendously in that time and he feels that, as the area is the equivalent of a good sized town, we should have more facilities for its citizens. He is working closely with the Cooperative, Police and the developer regarding better facilities for the public in and around the new shopping centre. He is also supporting the County Council with their potential plans for a dual carriageway from the Whisby Junction to the Doddington Road roundabout.
